

REGULATION AND RULE CHANGES FOR 2007

Changes adopted at the Aug. 25, 2006 meeting of the Little League International Board of Directors are noted in red

Item 1

REGULATION I (c) – The League

Each league shall:

9. Conduct an annual background check on all personnel that are required to complete a “Little League Volunteer Application” prior to the applicant assuming his/her duties for the current season. No local league shall permit any person to participate in any manner, whose background check reveals a conviction or guilty plea for any crime involving or against a minor. A local league may prohibit any individual from participating as a volunteer or hired worker, if the league deems the individual unfit to work with minors. **A local league must conduct a nationwide search that contains the applicable government sex offender registry data. (Note: The United States Department of Justice National Sex Offender Public Registry is free and available at www.nsopr.gov. Information on conducting a criminal background check at a nominal cost can be found on the Little League website, or at <http://littleleague.choicepoint.com>.**

If no sex offender registries exist in a province or country outside the United States the local league must conduct the more extensive of a country, province or city- wide criminal background check through the appropriate governmental agency unless prohibited by law.

Failure to comply with this regulation may result in the suspension or revocation of tournament privileges and/or the local league’s charter by action of the Charter or Tournament Committee in Williamsport. If a local league becomes aware of information, by any means whatsoever, that an individual, including, but not limited to, volunteers, players and hired workers, has been convicted of or pled guilty to any crime involving or against a minor, the local league must contact the applicable government agency to confirm the accuracy of the information. Upon confirmation of a conviction for, or guilty plea to, a crime against or involving a minor, the local league shall not permit the individual to participate in any manner.

Item 2

REGULATION II – LEAGUE BOUNDARIES

(a) Each league shall determine actual boundaries of the area from WITHIN which it shall select players. Only those participants whose residence is within the boundaries of the league shall be eligible to participate. Residence, for the purposes of this regulation,

is defined in “Residence Eligibility Requirements” in the first section of this book (Pages 14-16). **NOTE:** Any player who does not reside WITHIN the league’s boundaries must have an approved waiver issued by the Charter Committee at Little League International. All waiver requests to the Charter Committee must be submitted in writing by the league president before the start of the league’s regular season or June 1 whichever occurs first. Requests must be submitted to the regional office through the district administrator. These boundaries MUST be described in detail AND shown on a map when making application for the charter. The local Little League boundaries shall be the boundaries of the Junior/Senior/Big League. Exception noted for Big League district operating in Regulation I.

Item 3

Regulation VI – Pitchers:

- a. Any player on a regular season team may pitch. (**NOTE:** There is no limit to the number of pitchers a team may use in a game.)
- b. **Junior, Senior, and Big League Divisions only:** A pitcher remaining in the game, but moving to a different position, can return as a pitcher anytime in the remainder of the game, but only once per game.
- c. The manager must remove the pitcher when said pitcher reaches the limit for his/her age group as noted below, but the pitcher may remain in the game at another position:

League Age	17-18	105 pitches per day
	13-16	95 pitches per day
	11-12	85 pitches per day
	10 and under	75 pitches per day

Exception: If a pitcher reaches the limit imposed in Regulation VI (c) for his/her league age while facing a batter, the pitcher may continue to pitch until that batter reaches base or is put out. **Note 1. Intentional Walk:** Before a pitch is delivered to the batter, the catcher must inform the umpire-in-chief that the defensive team wishes to give the batter an intentional base-on-balls. The umpire-in-chief waves the batter to first base. The ball is dead.

- d. Pitchers league age 16 and under must adhere to the following rest requirements:
 - If a player pitches 61 or more pitches in a day, three (3) calendar days of rest must be observed.
 - If a player pitches 41 - 60 pitches in a day, two (2) calendar days of rest must be observed.
 - If a player pitches 21 - 40 pitches in a day, one (1) calendar days of rest must be observed.
 - If a player pitches 1-20 pitches in a day, no (0) calendar day of rest must be observed.

Pitchers league age 17-18 must adhere to the following rest requirements:

- If a player pitches 76 or more pitches in a day, three (3) calendar days of rest must be observed.
 - If a player pitches 51 - 75 pitches in a day, two (2) calendar days of rest must be observed.
 - If a player pitches 26 - 50 pitches in a day, one (1) calendar days of rest must be observed.
 - If a player pitches 1-25 pitches in a day, no (0) calendar day of rest must be observed.
- e. Each league must designate the scorekeeper or another game official as the official pitch count recorder.
 - f. The pitch count recorder must provide the current pitch count for any pitcher when requested by either manager or any umpire. However, the manager is responsible for knowing when his/her pitcher must be removed.
 - g. The official pitch count recorder should inform the umpire-in-chief when a pitcher has delivered his/her maximum limit of pitches for the game, as noted in Regulation VI (c). The umpire-in-chief will inform the pitcher's manager that the pitcher must be removed in accordance with Regulation VI (c). However, the failure by the pitch count recorder to notify the umpire-in-chief, and/or the failure of the umpire-in-chief to notify the manager, does not relieve the manager of his/her responsibility to remove a pitcher when that pitcher is no longer eligible.
 - h. Violation of any section of this regulation can result in protest of the game in which it occurs. Protest shall be made in accordance with Playing Rule 4.19.
 - i. A player who has attained the league age of twelve (12) is not eligible to pitch in the Minor League.

NOTES:

1. The withdrawal of an ineligible pitcher after that pitcher is announced, or after a warm-up pitch is delivered, but before that player has pitched a ball to a batter, shall not be considered a violation. Little League officials are urged to take precautions to prevent protests. When a protest situation is imminent, the potential offender should be notified immediately.
2. Pitches delivered in games declared "Regulation Tie Games" or "Suspended Games" shall be charged against pitcher's eligibility.
3. In suspended games resumed on another day, the pitchers of record at the time the game was halted may continue to pitch to the extent of their eligibility for that day, provided said pitcher has observed the required days of rest.

Example 1: A league age 12 pitcher delivers 70 pitches in a game on Monday when the game is suspended. The game resumes on the following Thursday. The pitcher is not eligible to pitch in the resumption of the game because he/she has not observed the required three days of rest.

Example 2: A league age 12 pitcher delivers 70 pitches in a game on Monday when the game is suspended. The game resumes on Saturday. The pitcher is eligible to pitch up to 85 more pitches in the resumption of the game because he/she has observed the required three days of rest.

Example 3: A league age 12 pitcher delivers 70 pitches in a game on Monday when the game is suspended. The game resumes two weeks later. The pitcher is eligible to

pitch up to 85 more pitches in the resumption of the game, provided he/she is eligible based on his/her pitching record during the previous three days.

Note: The use of this regulation negates the concept of the “calendar week” with regard to pitching eligibility.
